

## Flu Season Visitor Policy

**All Visitors must be well, with no signs or symptoms of illness. If you have a cold, cough, fever, nausea OR if you have been around someone with the flu, PLEASE DO NOT VISIT.**

**Only two visitors are allowed to visit a patient—for the entire patient stay.**

**No children 12 years or under may visit patients during this unusual flu season.**

Thank you for helping us  
protect our patients and staff.
